

Human Resources Assessment

Our Human Resources Assessment provides you peace of mind, knowing where you stand with employment law compliance and best practices, along with recommended changes and additions to your HR activities to meet the gaps.

Legal Compliance

Reviews legal obligations such as required policies, file retention, medical leave, employee classifications, anti-harassment/discrimination and more.

HR Administration

Evaluates your HR documentation, HR forms and procedures, and employee communication.

Compensation

Assesses exempt and non-exempt classifications and other pay practices to ensure fair and equitable compensation.

Talent Acquisition

Appraises your talent acquisition strategy and practices to determine its compliance with equal opportunity laws and its effectiveness.

Talent Management

Reviews performance management system and tools to determine if they are adequate to meet your company's overall strategy and goals.

Employee Relations

Examines your employee communications, engagement activities and disciplinary process to ensure legal compliance and alignment with your mission, vision and goals.
