Additional In-Network Discounts

- 20% discount on items not covered by the plan at network providers. This discount may not be combined with any other discounts or promotional offers. This discount does not apply to an EyeMed[®] provider's professional services (i.e. exams) or contact lenses. Retail prices may vary by location.
- 40% discount on complete eyeglass purchases after your plan benefits have been fully used (includes prescription sunglasses).
- 15% discount on conventional contact lenses after your plan benefits have been fully used.
- Members can purchase eyeglasses online and apply their in-network eyeglass benefits at www.glasses.com.
- Members can purchase contact lenses online and apply their in-network contact lenses benefits at www.contactsdirect.com.
- Discounts do not apply for benefits provided by other group benefit plans.

How to Maximize Your DeltaVision Plan

- Use providers participating in your vision plan network; your benefit dollars will go farther at participating providers. For an upto-date listing of EyeMed providers in your area, visit our website at www.deltadentalwi.com/visionproviders or call EyeMed's Customer Care Center at 844-848-7090.
- Use your full benefit allowance. Frames and lenses (plastic or contact) each have an annual benefit allowance; the benefit allowance must be used on a single purchase day.
- Frequency of benefits: your benefit frequency is based on the date of service. For example, you'll be covered for another eye exam 12 months after your last eye exam.
- Participating providers may offer promotional pricing on vision materials. You can partake in either the DeltaVision Network Benefit or the promotional price available, but not both. Your provider can help you to determine which is best for you. If you select the promotional pricing you can submit your expenses for Non-Network Reimbursement.
- Prescription sunglasses can be purchased with your benefit allowance for frames and plastic lenses.
- A 20% discount may be available on selected brands of non-prescription sunglasses from participating providers ask your vision provider.
- Your vision benefits include both a frame allowance and a lens allowance. The lens allowance will cover either eye glass lenses or contact lenses. If you purchase both glasses and contacts, you will be responsible for the cost of either the eye glass lens or the contacts, depending upon which was purchased first. Your provider can assist you on making the best choice to maximize your vision benefit.
- Premium progressive lenses are more costly than standard progressive lenses. Please discuss your costs for progressive lenses with your vision provider.

Plan Limitations/Exclusions

- Allowances are one-time use benefits; there is no remaining balance if entire allowance is not used after initial purchase.
- Orthoptic or vision training, subnormal vision aids, and associated supplemental testing.
- Medical and/or surgical treatment of the eye, eyes or supporting structures.
- Corrective eyewear required by an employer as a condition of employment, and safety eyewear unless specifically covered under the plan.
- Services provided as a result of any worker's compensation law.
- Plano nonprescription lenses and nonprescription sunglasses (except for 20% discount).
- Aniseikonic lenses.
- Services or materials provided by any other group benefit providing vision care.
- Two pairs of glasses in lieu of bifocals.
- Lost or broken materials are not covered.

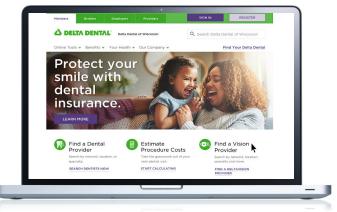

Finding a Network Vision Provider

We're proud to work with EyeMed[®] Vision Care as the network provider for Delta Dental members who are enrolled in either a DeltaVision[®] plan or in Delta Dental's vision discount program.

The EyeMed Access, Select, and Insight networks supporting our members are among the nation's largest provider networks, featuring popular retail chains and many small independent doctors as well.

on the web

- Go to **www.deltadentalwi.com** and select "Find A Vision Provider."
- Choose the "Search EyeMed Access Network,"
 "Search EyeMed Select Network," or "Search EyeMed Insight Network" link. Your provider network will be listed on your ID card.
- Enter your ZIP code on the EyeMed Provider Locator screen, then click "Get Results."
- Providers in your network will appear sorted by distance from your ZIP code. You can further narrow your search by using the Filter Search Results options.

by phone

You can also receive provider information by calling EyeMed's award-winning, U.S.-based Customer Care Center at **844-848-7090**.

Your provider network (Access, Select, or Insight) will be listed on your ID card.
